

Darold Sheridan Cancer Benefit
Saturday October 24th 2009 4:00 pm
AT RICHARD AND NANCY ASLESONS FARM
27287 JODRELL ST. NE. ISANTI
just south of Jumpin Jacks bar (Weber)

Darold has lived in the Cambridge-Isanti area for 37 years and is a 1984 graduate of Isanti/Cambridge High School. In June, Darold was diagnosed with squamous cell cancer. This is a cancer of the head and neck which started in his tonsil area and spread to his lymph nodes in his neck. Darold has undergone surgery, intense doses of chemotherapy and radiation. In spite of a lot of pain Darold has kept up his spirits and is very positive towards his recovery. Darold has not been able to work since July and bills have mounted.

Please join Darold and show your support.
